Re: United States v. Samantha Shader, 20-CR-202 (DLI)

Dear Judge Irizarry:

Pursuant to the Court's June 22, 2021 scheduling order, the parties are providing a status report to the Court in advance of the status conference scheduled for July 13, 2021 at 11:15 a.m.

Ms. Shader is charged in a seven-count indictment with use of explosives, in violation of 18 U.S.C. § 844(f)(1), arson, in violation of 18 U.S.C. § 844(i), using an explosive to commit a felony, in violation of 18 U.S.C. § 844(h)(1), arson conspiracy, in violation of 18 U.S.C. § 844(n), use of a destructive device, in violation of 18 U.S.C. § 924(c)(1)(B)(ii), civil disorder, in violation of 18 U.S.C. § 231(a)(3) and possessing and making a destructive device, in violation of 26 U.S.C. §§ 5861(d) and 5861(f).

On July 17, 2020, the Court held a status conference and Ms. Shader was arraigned on the pending indictment. That same day, the Court issued a written order granting in part and denying in part the defense motion to inspect grand jury records. On July 23, 2020 and July 28, 2020, the Clerk of the Court provided the grand jury records to the defense and the government. On July 24, 2020, the government provided Ms. Shader with its second Rule 16 discovery production. On August 27, 2020, the government provided Ms. Shader with its third Rule 16 discovery production. On October 28, 2020, the government provided Ms. Shader with its fourth Rule 16 discovery production, which included numerous additional NYPD video files taken from multiple locations. On January 5, 2021, the government provided counsel for Ms. Shader with its fifth Rule 16 production, which included substantial additional materials including surveillance video files, law enforcement records, and forensic reports.

In the last report provided to the Court on June 22, 2021 the parties represented that subsequent to the defense providing the government with a more than 50-page submission containing information it believes would be helpful in informing plea negotiations, the parties remained in active discussions about a possible resolution short of trial. Since that time, the

The parties request that the Court exclude time under the Speedy Trial Act. Specifically, the parties request that the Court find that the ends of justice are served by ordering the requested continuance as this continuance outweighs the best interests of the public and Ms. Shader's right to a speedy trial, pursuant to 18 U.S.C. § 3161(h)(7)(A). In particular, the need for Ms. Shader to continue to review the voluminous discovery provided to date and discuss that discovery with counsel, and so that the defense can engage in negotiations with the government.

Respectfully Submitted,

Amanda David
